Subject: Adopted Budget 2019-2020

Date: September 5, 2019

On June 27, 2019 Governor Newson signed the 2019-20 state budget that "builds a strong fiscal foundation". The \$214.8 billion budget includes the largest reserve in California history. The total Rainy Day Fund is now \$16.5 billion.

The Governor's budget provides an investment in education with following items included:

- o Increasing the amount per K-12 pupil, over \$5,000 more
- o \$90 million to recruit and train qualified K-14 teachers and \$43.8 million for training and resources
- o Increase funding for K-14 special education
- o Tuition freezes and increased enrollment for both University of California and California State University systems
- Support Community College Students by funding two years of free community college tuition for first year, full-time students
- Provides \$41.8 million to increase the number of Cal Grant scholarships
- Provides \$96.7 million to support living expenses of student parents with dependent children to increase degree completion
- Provides \$50 million for child savings accounts for future higher education expenses

To help provide relief to local educational agencies and community colleges for the rising costs of CalSTRS and CalPERS, the state budget pays an extra \$9 billion over the next four years to pay down the unfunded pension liability, including \$3.15 billion to CALSTRS and CalPERS for schools. This reduces our contribution rates for FY 2019-20 as follows: CalSTRS from 18.13% to 17.10% and CalPERS from 20.733% to 19.721%.

The Student Center Funding Formula (SCFF) will remain 70% Base, 20% Supplemental, and 10% Success with a proposal to extend the hold harmless provision by an additional year, which will provide districts with the amount of funding received in 2017-18 plus cost-of-living adjustments (COLA) for each year until 2021-22.

The Mt. San Jacinto College Adopted Budget is based on the Student Centered Funding Formula Advanced Apportionment. Due to the concerns as to the stability of the state's revenue base and current application of the SCFF, Mt. San Jacinto College is maintaining a conservative approach in budgeting its revenue and has budgeted the guaranteed apportionment amount, which is the 2017-18 apportionment plus 2018-19 COLA, plus 2019-20 COLA. The District will continue to advocate full funding for the SCFF as we are currently receiving approximately \$3 million less than calculated SCFF.

Included in this budget are the joint hiring faculty replacement positions and one net new faculty position for FY2021. The Adopted Budget appropriates increases to the salary base, specifically step, column, employer fixed cost premiums, and all negotiated increases. The ongoing and increasing costs for post-employment Benefits (OPEB) payments, insurances and utilities have been budgeted. The preliminary Temecula Valley Campus (TVC) building maintenance operating budget in included in this plan. As we move toward commissioning the TVC, future budgets will be refined to identify operating needs.

The State Budget also included funding for two high-priority science, technology, engineering and math (STEM) building projects for San Jacinto and Menifee Valley campus. Half of the cost of the STEM projects will be paid for out of Measure AA funds. The remainder will be funded from Prop. 51, approved by voters in November 2016. The 2019-2020 state budget approved \$535.3 million from Prop. 51 to support 59 community college projects.

On the San Jacinto Campus, a \$43.9 million, 36,922-square-foot STEM building will include science labs and lecture rooms, general classrooms, math and general studies labs and faculty offices. The Menifee Valley Campus will be able to add a \$52 million, 41,865-square-foot state-of-the-art STEM building featuring laboratory and multi-use, computer-based instructional areas. These buildings have been in our plans for several years and this state funding will help us finally bring them to fruition for the communities we serve. Students could begin attending courses in the San Jacinto Campus Science and Technology Building as early as late 2023 and the Menifee Valley Campus Math and Science Building in 2024.

In the Fall of 2019, the District opened Health Centers at the San Jacinto and Menifee campuses. This enables students to access services such as health consultations, triage for first aid and emergency care, wellness education, mental health counseling, referrals and a lactation room for nursing mothers. By providing these critical services, we hope to remove potential barriers that can prevent students from succeeding in achieving their academic goals.

Other Capital Outlay Projects kicking off in 2019-2020 include renovation of the 700 building at the Menifee Valley Campus that will be the new Student Services Center and the 5,000 seat Stadium at the Menifee Valley Campus.

#### GENERAL FUND UNRESTRICTED

The primary purpose of the General Fund Unrestricted is to support the basic instructional and instructional support activities of the District with funding sources that are discretionary in nature. All transactions that are not specifically required to be accounted for in other funds are recorded in the General Fund Unrestricted.

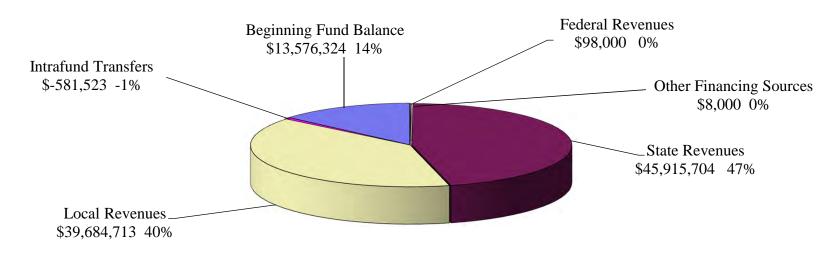

There are two sub-funds in the General Fund Unrestricted:

General Fund Board of Trustees General Reserve Fund

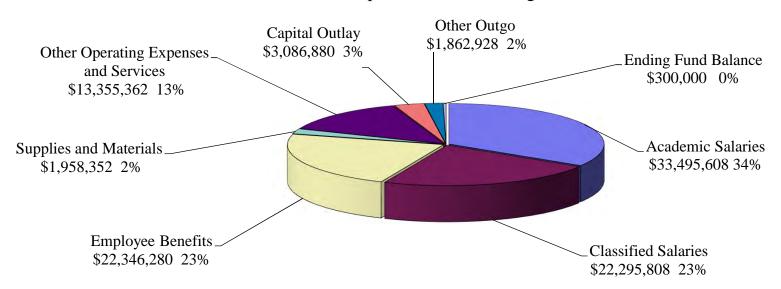

The General Fund is funded through state apportionment, lottery, interest, negotiated training programs, and other miscellaneous fees and revenues. The Board of Trustees Special Reserve Fund is funded through transfers from the General Fund.

The governing board of the District may elect to designate unrestricted funds for specific future operating purposes. The governing board may also elect to transfer unrestricted reserves to other funds. Similarly, the governing board may elect to re-designate any previously set-aside funds or return to the General Fund any balance of designated funds.

General Fund Unrestricted Revenues and Beginning Fund Balance: \$98,701,218

General Fund Unrestricted Expenditures and Ending Fund Balance: \$98,701,218

#### Note:

Deficit spending in FY 2019-2020 Adopted Budget is due to inclusion of the beginning balance and zero base budgeting.

### **BOARD OF TRUSTEES SPECIAL RESERVE FUND**

The Board of Trustees Special Reserve Fund is a sub-fund of the General Fund Unrestricted and is funded through transfers from the General Fund sub-fund.

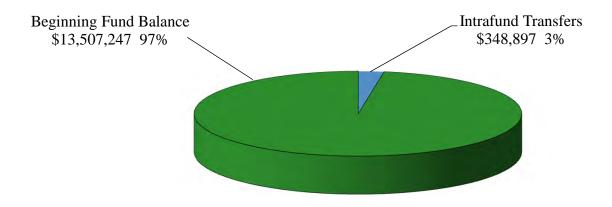

The Chancellor's Office recommends that the minimum, prudent unrestricted general fund balance (reserve) is 5%. The District Board of Trustees has further adopted a minimum reserve balance of 6% per Administrative Procedure 6305.

The Superintendent/President recommends an annual budget to the Board that must provide for the minimum 6% reserve. The reserve must be monitored throughout the fiscal year in conjunction with the submission of the quarterly financial status report (CCFS311Q) to the Board and to the Chancellor's Office. Since FY 2016-2017 the board reserve has remained at 7%.

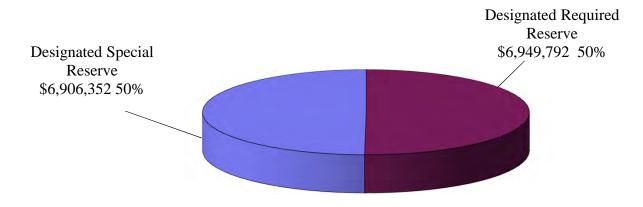

In order to plan ahead for the scheduled increases in the District's state retirement systems contributions for California State Teacher's Retirement System (STRS) and for California Public Employee's Retirement System (PERS) designated reserves have been included in the Board of Trustees Special Reserve Fund. Additionally, a designated reserve for the future funding for the District's Other Postemployment Benefits (OPEB) liability has been built in.

- \* STRS \$2,803,557
- \* PERS \$1.780.911
- \* OPEB \$2,321,884

Board of Trustees Special Reserve Fund Revenues and Beginning Fund Balance: \$13,856,144

### Board of Trustees Special Reserve Fund Designated Appropriations and Ending Fund Balance: \$13,856.144

#### GENERAL FUND RESTRICTED

The primary focus of the General Fund Restricted (Categorical and Grants) is to enhance the educational experience and success of students with funding sources that are specifically restricted in use by law, regulations, donors, or outside agencies.

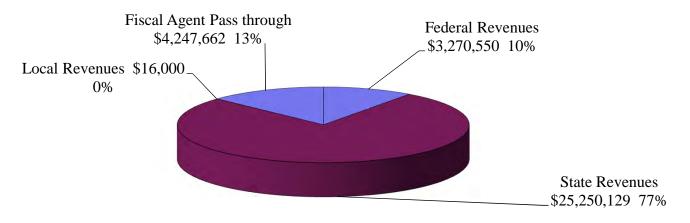

Federal programs include Federal Work Study, Title IV Upward Bound and Talent Search (TRIO), Carl D. Perkins IV Career and Technical Education, Title V Hispanic Serving Institutions Strengthening Institutional Success, Title II Workforce Innovation and Opportunity Act (WIOA), Temporary Assistance to Needy Families (TANF), and the Child Development Training Consortium (CDTC).

State programs include Board Financial Assistance Program (BFAP), Veterans Resource Center (VRC), Student Success and Completion Grant (SSCG), Financial Aid Technology, Mental Health Support, California College Promise, Extended Opportunities Programs and Services (EOPS), Cooperative Agencies Resources for Education (CARE), Disabled Students Programs and Services (DSPS), CalWORKs, Student Equity and Achievement (SEA), Hunger Free Campus Meal Program, Campus Safety and Sexual Assault Program (CSSA), Guided Pathways Initiative, Equal Employment Opportunity (Staff Diversity), Classified Professional Development, Certified Nursing Assistant Expansion Program, Enrollment Growth and Retention, Adult Education Block Grant (AEBG), regional and local Strong Workforce Programs (SWP), Prekindergarten and Family Literacy (CPKS), Song Brown Capitation, Umoja Program, and Restricted Proposition 20 Lottery.

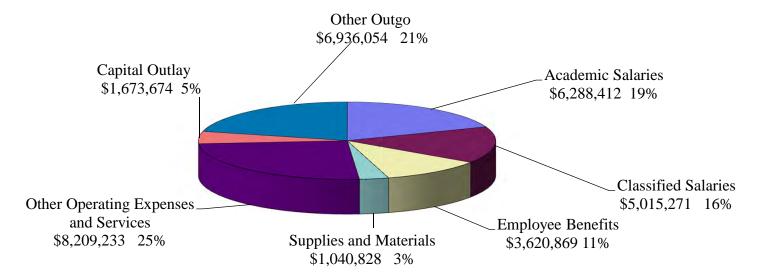

Recently completed programs include Community College Completion Grant (CCCG), credit and non-credit Student Success and Support Programs (SSSP), Student Equity, Enrollment Growth and Retention Curriculum Development mini-grant, Adult Education Data and Accountability, Full-time Student Success Grant (FTSSG), Basic Skills, California Career Pathways Trust Grant (CCPT), Career and Technical Education (CTE) Data Unlocked Initiative, California Community College (CCC) MakerSpace Implementation, Riverside County Department of Public Social Services - CalWORKs, Improving Online CTE Pathways Planning and Development, Small Business Sector Navigator Faculty Entrepreneurship Champion mini-grant, the Riverside County Education Collaborative Bill & Melinda Gates LEA Implementation Network, and the Inland Empire Economic Partnership Digital Media mini-grant.

The restrictions imposed on the General Fund Restricted are externally-imposed restrictions and are contrasted with internally-created designations that are imposed by the governing board on unrestricted moneys. Restricted funds are from a specific source that are required to be used for clearly defined purposes, mandates require reporting formats and timelines, and impose performance periods when funds should be used.

General Fund Restricted Revenues and Beginning Fund Balance: \$32,784,341

## General Fund Restricted Expenditures and Ending Fund Balance: \$32,784,341

### **PARKING FUND**

In accordance with Section 76360 of the Education Code, the governing board of a community college district may require the payment of a fee for parking services. "Parking services" is defined as the purchase, construction, and operation and maintenance of parking facilities for motor vehicles as defined by the Vehicle Code. The Education Code further mandates all parking fees collected to be deposited in the fund designated by the California Community Colleges Budget and Accounting Manual.

The CCC Budget and Accounting Manual requires revenue from parking services to be accounted for in a restricted Parking Fund, and to be expended only for parking services or for reducing the costs of using public transportation to and from the college. The District maintains three types of parking revenues in the Parking Fund.

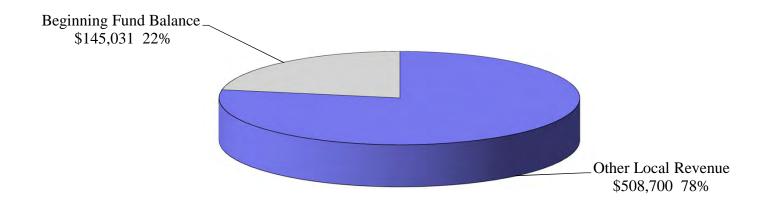

Proceeds from sale of parking permits

Collections from parking meters

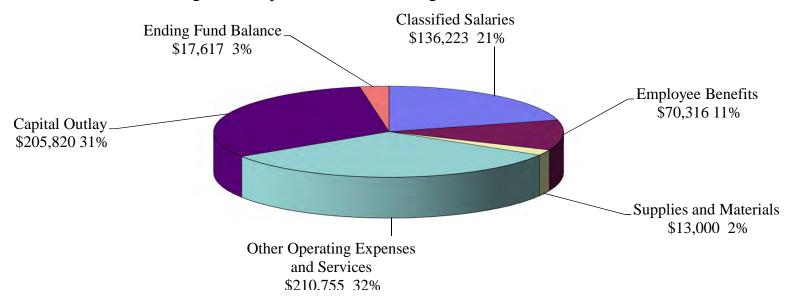

Collections from parking citations

The District expends parking resources to maintain the accessibility and safety standards that meet enrollment. Some of these expenses include parking enforcement, parking lot repairs in the form of resurfacing, painting and lighting, posting advisory signs and proper signage, maintenance and repair of parking permit dispensers and parking meters.

Parking Fund Revenues and Beginning Fund Balance: \$653,731

### Parking Fund Expenditures and Ending Fund Balance: \$653,731

### STUDENT HEALTH CENTER FUND

In accordance with Section 76355 of the Education Code, the governing board of a community college district may require the payment of a fee for health services.

Health Services Fees collected are restricted to allowable health service expenditures.

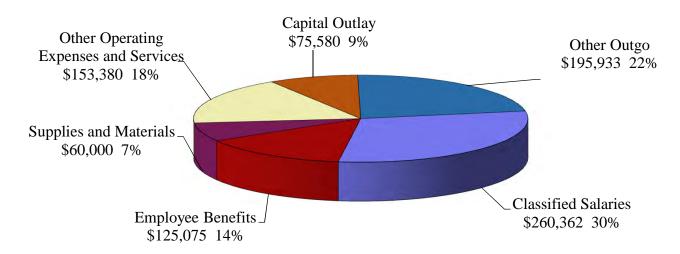

Examples of Health services allowable expenditures are to provide medical, dental, psychiatric, and nursing services. The Education Code further mandates all health service fees collected to be deposited in the fund designated by the California Community Colleges Budget and Accounting Manual.

Authorized expenditures shall <u>not</u> include, among other things, athletic trainers' salaries, athletic insurance, medical supplies for athletics, physical examinations for intercollegiate athletics, ambulance services, the salaries of health professionals for athletic events, any deductible portion of accident claims filed for athletic team members, or any other expense that is not available to all students. No student shall be denied a service supported by student health fees on account of participation in athletic programs.

Student Health Center Revenues and Beginning Fund Balance: \$870,330

Student Health Center Expenditures and Ending Fund Balance: \$870,330

### INSTRUCTIONAL EQUIPMENT BLOCK GRANT FUND

The State Budget Act allocates funds system-wide to augment the instructional equipment and library materials resources of districts. Allocations may be ongoing or one time and may or may not require a district match. Both state allocations and district match are required to be accounted for in a restricted fund. Any balance in the accounts as of June 30 of each year is carried over to the next fiscal year and continued as restricted for the designated purposes.

In accordance with the requirements of the grant, the allocations and the district match can only be expended for the items that are defined in the allocation document. Examples of the allowable expenses are:

Equipment purchased for instructional and/or library/learning resource center defined activities,

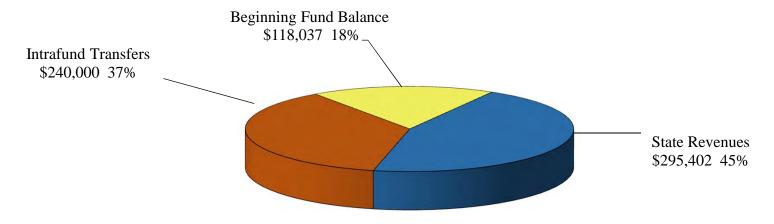

Library books, periodicals, audio-visual resources for the benefit of student learning,

Furniture and computer software that are considered an integral and necessary component for the use of other specific instructional equipment.

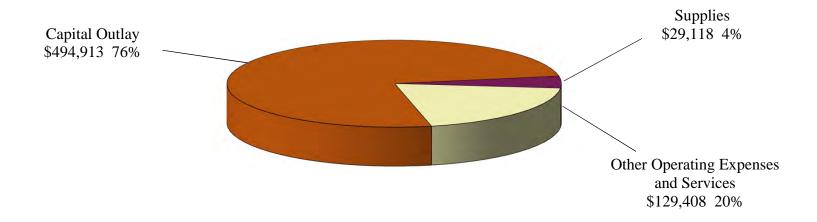

As a condition for the receipt and expenditure of the State-allocated moneys, the grant requires the District's Chief Executive Officer to certify that the grant funds will be spent in accordance with the program guidelines.

Due to ongoing contractual agreements, the district has chosen to allocate for commitments in this fund through an Intrafund Transfer from the General Unrestricted Fund.

Instructional Equipment Block Grant Revenues and Beginning Fund Balance: \$653,439

<u>Instructional Equipment Block Grant Expenditures and Ending Fund Balance: \$653,439</u>

#### CHILD DEVELOPMENT FUND

The Child Development Fund is a special revenue, restricted fund designated to account for all revenues for, or from the operation of, child care and development services, including federal, state, or local grants, student fees for child development services, and transfers from the General Fund Unrestricted.

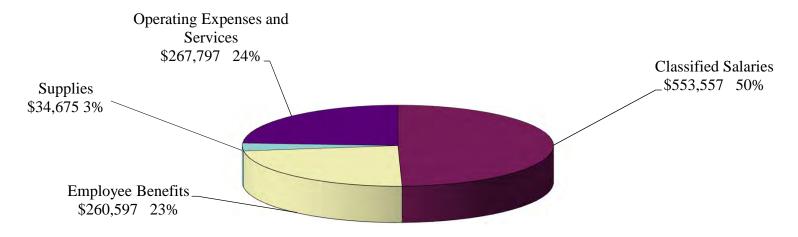

Costs incurred in the operation and maintenance of the child care and development services are paid from this fund. However, those segments of child care and development activities that are part of the instructional activity of the District are accounted for in the General Fund Unrestricted.

As a restricted fund, revenues and expenses are accounted for in the same manner as the General Fund Restricted; with similar requirements for use of funds, reporting, and performance periods.

Child Development Fund Revenues and Beginning Fund Balance: \$1,116,626

### Child Development Fund Expenditures and Ending Fund Balance: \$1,116,626

#### STUDENT REPRESENTATION FEE FUND

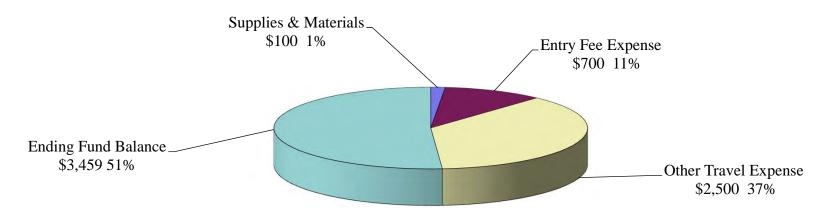

The Student Representation Fee Fund is a trust fund designated to account for funds collected pursuant to Education Code Section 76060.5 that provides for a student representation fee of one dollar per semester if approved by two-thirds of the students voting in the election. The fee is to be expended to provide for the support of governmental affairs representatives who may be stating their positions and viewpoints before city, county, and district governments and before offices and agencies of the State government.

The primary source of revenue for the Student Representation Fee Fund is voluntary fees paid by students.

#### STUDENT FINANCIAL AID FUND

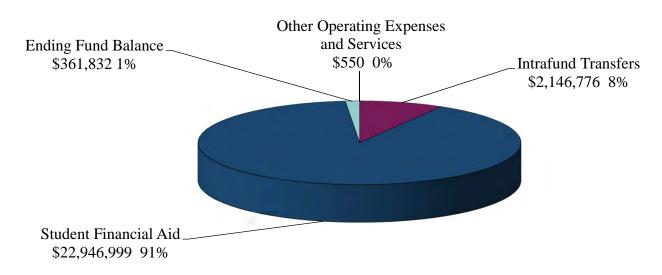

The Student Financial Aid Fund is a trust fund used to account for the deposit and direct payment of government-funded student financial aid, including grants or other funds intended for similar purposes, and the required district matching share of payments to students.

Funds for federal work study programs are not accounted for in the Student Financial Aid Fund. While the objective of federal work study program is to provide financial assistance to students, services must be performed by students as a condition for receiving the money. Such expenditures are for salaries, not financial aid, and are recorded in the General Fund Restricted.

Student Financial Aid Fund Revenues and Beginning Fund Balance: \$25,456,157

#### COMPLIANCE WITH THE FIFTY PERCENT LAW

Education Code Section 84362 requires community college districts to expend 50% of the district's Current Expense of Education (CEE) on the salaries and fringe benefits of classroom instructors.

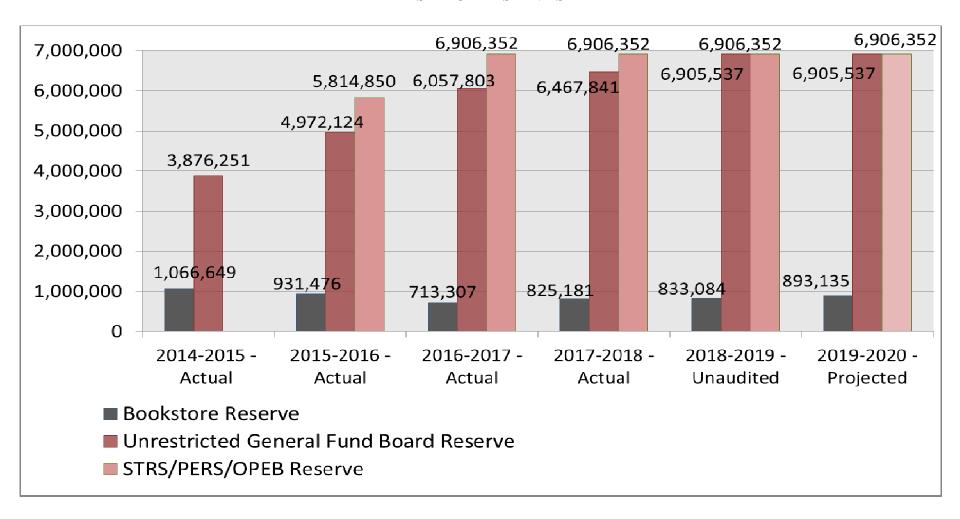

The "Current Expense of Education" (CEE) includes the General Fund operating expenditures excluding expenditures for food services, community services, capital (except equipment replacement), auxiliary services, and other costs specifically excluded by law.

The "Salaries for Classroom Instructors" includes the salaries and fringe benefits for classroom instructors and instructional aides (full-time and part-time).

This table recaps the district's 50% computation for the fiscal years 1992-93 through 2019-20 (expressed as a percentage).
