## A Note from our Director, Lisa Campbell

Welcome to Spring semester! I hope everyone is off to a great start in all of your classes. I want to encourage all of you to stop by the CalWORKs offices on campus to meet with me and the CalWORKs team. We are here to support you on your educational journey. We provide basic school supplies and hold monthly workshops for our students. We have our Job Developer, Timmy, who can assist you with finding on campus work-study positions.

It is a pleasure to serve as the CalWORKs Director, and I would love to meet each and every one of you. Please feel free to stop by my office on the San Jacinto campus. If you attend another campus and would like to meet with me, please give me a call at 951-487-3470 so we can set up an appointment. The CalWORKs team is ready to assist in transforming the lives of our students.

As a first-generation college student and immigrant to this country, Anisia has excelled through adversity to become one of our most successful students. Our CalWORKs team is quite excited and proud to recognize her amazing accomplishments and to support her in her success at MSJC and beyond. We look forward to celebrating her again as a graduate of MSJC's Nursing program!
