Mt. SAN JACINTO COLLEGE

2017 ANNUAL SECURITY REPORT CLERY ACT DISCLOSURES

Mt. San Jacinto College (MSJC or District) is dedicated to providing a safe and healthy campus environment for students, employees, and the public who visit our campus. The Campus Safety Department operates five days a week, Monday through Friday, from 7:00 am to 11:00 pm. A Riverside County Sheriff's Deputy assigned to the campus along with a campus safety officer is on duty during these times to respond to calls for assistance. In 1990, the U.S. Congress enacted the "Crime Awareness and Campus Security Act of 1990," which requires colleges and universities to disclose information about crime on and around their campuses. This law was renamed in 1992 to the "Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act." The following information is available to the public and provides statistical, policy, and procedural information required by law.

MSJC Annual Reporting Policy

The Campus Safety Department with assistance from the [Judicial Affairs Department](#) and the [Riverside Sheriff's Office](#), prepares this annual security report to comply with the [Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act](#). The full text of this report can be accessed from [The Campus Safety website](#). This report is prepared in cooperation with the police agencies surrounding our campuses and alternate sites. Campus Safety also maintains a daily crime log at each Campus Location available for public view at each site's Campus Safety Office.

To comply with the act, MSJC collects crime statistics from local police agencies, by providing the addresses of off campus properties either owned or controlled by the college or public property immediately adjacent to the college campus. All local police agencies provide automated statistics for the property and a radius around the property requested. These statistics may also include crimes that have occurred in private residences or businesses that are not required to be reported by law. Copies of the report may also be obtained at the Campus Safety Department, 28237 La Piedra Road, Menifee, CA. 92584 or by calling (951) 639-5188. All prospective employees may obtain a copy from Human Resources in building 200 on the San Jacinto Campus, 1499 N. State Street, San Jacinto, Ca. 92589 or by calling (951) 487-3150. The Campus Safety Director, Judicial Affairs Officer, and Riverside Sheriff's Office take lead roles in assimilating information for the annual report.

Campus wide emails to all current faculty, staff, and students are sent on or before October 1st, and at the beginning of the spring semester each school year, regarding the availability of the annual security report on the college website.

SECURITY REPORTS

Campus Law Enforcement Authority

The Mt. San Jacinto Campus Safety Department, along with Riverside County Sheriff's Deputies assigned to the college, have the authority to enforce [AP 5500](#) Standards of Conduct Policy and the State of California Penal/Vehicle Code under [Education Code Section 72330](#). The Mt. San Jacinto College Board of Trustees has established the Campus Safety Department as a Community Campus Safety Department under [Education Code Section 72330\(a\)](#), which authorizes the governing board of a community college district to establish a Community Campus Safety Department under the supervision of the Director of Campus Safety. The Mt. San Jacinto College Campus Safety Department has a memorandum of understanding mandated by the "Crime Awareness and Campus Safety Act of 1990," that the Riverside County Sheriff's Department has jurisdiction to investigate all crimes occurring on Mt. San Jacinto College Campuses.

Campus Security Authority

"Campus security authority" is a Clery-specific term that encompasses four groups of individuals and organizations associated with an institution.

- A campus police department or a campus security department of an institution.
- Any individual or individuals who have responsibility for campus security but who do not constitute a campus police department or a campus security.
- Any individual or organization specified in an institution's statement of campus security policy as an individual or organization to which students and employees should report criminal offenses.
- An official of an institution who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline and campus judicial proceedings.
- An official is defined as any person who has the authority and the duty to take action or respond to particular issues on behalf of the institution. If someone has significant responsibility for student and campus activities, he or she is a campus security authority.

Crime Prevention

The Campus Safety Department's primary responsibility is the safety and security of all members of the college community. Every effort is made to inform students and staff of criminal activity or any other concern that may be an immediate threat to the safety and security of those on campus.

Information and workshops on crime prevention are made available to college students and staff throughout the academic year, online alerts, and articles in the student newspaper. The Campus Safety Department also collaborates with the Riverside County Sheriff's Department in crime prevention events that inform the college community about theft prevention practices. It is the responsibility of every member of the campus community to act in ways that promote the safety of self, others, and the protection of district property.

Timely Warning Policy

If a situation arises on campus that poses an ongoing or continuing threat to the college community, the college Director of Campus Safety in consultation with the college President and Vice-President of Student Services will determine if a "timely warning" will be issued to inform the campus of the threat. Students and employees are encouraged to update their alert information by going to msjc.edu/Alert/ Timely warnings are given through college email and electronic text systems to students, faculty and staff. Timely warnings provide the college community with information about serious incidents and crime prevention recommendations.

Campus Emergency Notification System

The Mt. San Jacinto Campus Safety Department has the responsibility to respond and assess situations or incidents that may pose an immediate or ongoing threat to the safety and health of the college community. The Director of Campus Safety will assess situations or incidents reported on campus and the surrounding areas to determine whether an immediate or ongoing threat exists.

Upon confirming that there is an immediate threat to the safety of the college community or specific segments of the college community, the Director of Campus Safety, the Chief Technology Officer, the Director of Public Information and Marketing, and the college Superintendent/President are the authorized administrators who will collaborate to determine the content of the emergency notification notice and will use part or all of the emergency notification systems listed below, to communicate the threat to the entire college population or segments thereof.

Mt. San Jacinto College has a campus wide emergency notification system. This system will enable the authorized college personnel to quickly notify students, faculty, and staff about any campus emergency with personalized voice, text, and e-mail messages. It is important that all students, staff and faculty provide the college administration with correct contact information so that proper emergency notification can be made. Go to the following web site for directions on how to update your information to ensure you receive emergency notifications.

<http://www.msjc.edu/Alert/Documents/MSJCAAlertContactInformation.pdf>

In December 2016, Mt. San Jacinto College staff completed installation of phones in classrooms for use in emergency broadcast communications. The District purchased a phone for every classroom throughout the District. These phones, along with existing District phones throughout the five (5) campus locations, are now capable of broadcasting notifications to provide faculty, students, and staff rapid communications related to emergency situations. Additionally, faculty and students now have the ability to utilize classroom phones to call for emergency services.

The Campus Safety Department patrol vehicles are equipped with public address systems and during critical emergencies can be strategically located throughout the campus to facilitate notification and communication through these amplification systems. The Campus Safety Department also has mobile public address systems available for deployment as needed. The college digital marquee signs located in the front of the Menifee Valley and San Jacinto campuses may also be used to communicate and notify students and staff of immediate or ongoing threats. The campus email system will be utilized to communicate alerts and ongoing updates to faculty and staff. The college's student Web Portal will also be utilized to notify students of threats and emergency updates as well.

Emergency Response/Evacuation Maps

In compliance with the Higher Education Act, Mt San Jacinto College Evacuation route maps are located on the walls of all rooms near the doors. In addition to evacuation maps posted near the doors on campus, evacuation procedures for all MSJC Campuses can be viewed by clicking on this link: <https://www.msjc.edu/CampusSafety/Pages/Campus-Safety-Video-Series.aspx>.

The following definitions reflect California state law and may be different from the federal definitions above. The federal definitions are used for purposes of reporting crime statistics as mandated by the Clery Act as amended by **VAWA**. It is important to be aware of state law definitions that govern criminal proceedings.

Dating Violence - Included within the definition of domestic violence as set forth in California Penal Code § 13700.

Factors that may determine whether persons are cohabiting include, but are not limited to:

- (2) Sharing of income or expenses,
- (3) Joint use or ownership of property,

• **Rape** –

(A) Rape is an act of sexual intercourse accomplished with a person not the spouse of the perpetrator, under any of the following circumstances:

- (1) Where a person is incapable, because of a mental disorder or developmental or physical disability, of giving legal consent, and this is known or reasonably should be known to the person committing the act.

(2) Where it is accomplished against a person's will by means of force, violence, duress, menace, or fear of immediate and unlawful bodily injury on the person or another.

(3) Where a person is prevented from resisting by any intoxicating or anesthetic substance, or any controlled substance, and this condition was known, or reasonably should have been known by the accused.

(4) Where a person is at the time unconscious of the nature of the act, and this is known to the accused. As used in this paragraph, "unconscious of the nature of the act" means incapable of resisting because the victim meets any one of the following conditions:

(A) was unconscious or asleep.

(B) was not aware, knowing, perceiving, or cognizant that the act occurred.

(C) was not aware, knowing, perceiving, or cognizant of the essential characteristics of the act due to the perpetrator's fraud in fact.

Risk Reduction Strategies

Risk reduction strategies include knowledge or behaviors to use in-the-moment should an act of violence take place. Some individuals may feel safer knowing that risk reduction strategies exist. Some also may feel more empowered to address situations after learning different risk reduction strategies. Below are risk reduction strategies that are incorporated throughout all primary and ongoing prevention and awareness programs:

- Understand consent. Consent is a mutual, affirmative, voluntary, and revocable agreement by each participant to engage in sexual activity. An informed verbal “yes” must accompany positive and engaging body language.
- The initiator of sexual activity is responsible for receiving consent from their partner. Obtaining consent is a continuous process, meaning consent to kissing doesn’t mean consent to everything else. Consent is voluntary and can be withdrawn at any time. Consent must be given without coercion, force, threats or intimidation by the initiator.
- Understand the influence of alcohol and other substances. Consent cannot be given when someone is under the influence of drugs and/or alcohol. However, perpetrators may attempt to use alcohol and/or drugs to facilitate a sexual assault. Statistically, the majority of reported sexual assaults occur while one or both parties are under the influence of alcohol or drugs. Alcohol or drugs are never an excuse for choosing to violate another person.
- There are a number of drugs that may be added to beverages with the intent of altering the consciousness or incapacitating a person without their knowledge. Substances are particularly dangerous when combined with alcohol, and often produce amnesia, leaving a victim unclear about what occurred. These drugs can facilitate criminal activity; most often acts of sexual misconduct or sexual assault.
- Know the definition of sexual assault. Sexual assault is any unwanted, non-consensual behavior from kissing and fondling to rape. Ignorance of the law or of University policy concerning sexual assault, sexual misconduct and sexual harassment is never an excuse for non-consensual sexual behavior.
- Identify common behaviors that often precede an assault. Recognizable red flags include seeing someone who is attempting to separate an intoxicated individual from their friends, or continuing to pour drinks for an individual who is clearly beyond their limit.
- Take action as a responsive bystander if you see those behaviors happening. You can help someone who is intoxicated by reconnecting them with their friends, or calling a CSO to escort that person to an area of safety.

Bystander Intervention Techniques

Bystander intervention is when someone chooses to take action when witnessing an uncomfortable situation. It encompasses safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene when there is a risk of dating violence, domestic violence, sexual assault or stalking. Bystander Intervention Techniques can empower you with the skills needed to become a responsive bystander in everyday situations. Here are some techniques for getting involved:

- Interrupt - Ask a question that's not related to what's going on. "Excuse me, where's the bathroom?"
- Distract - Draw attention to something else. "Hey, your car is getting towed!"
- Engage Peers - Involve a friend or someone else around you. "Let's do something."
- Alert Authorities - In some situations, authorities may be the best source for help (e.g., Police, Faculty, Campus Security, party hosts, bar staff, and/or designated drivers).
- Safety First - Keep your safety and the safety of others in mind and let that determine how you respond.

Primary and ongoing prevention and awareness programs at MSJC emphasize that community members are not limited to just the techniques presented here. All campus affiliates are encouraged to choose their own strategy or technique to intervene.

Options, Rights and Procedures for Victims/Survivors of Dating Violence, Domestic Violence, Sexual Assault and Stalking

MSJC is committed to creating and maintaining a community where all individuals who participate in prevention and awareness programs and activities can work and learn together in an atmosphere free of harassment, exploitation or intimidation. Every member of the community should be aware that the MSJC prohibits sexual harassment and sexual violence and that such behavior violates both law and MSJC policy. MSJC takes all complaints of sexual violence very seriously. The safety and well-being of our students, faculty and staff are among the college's highest priorities. Anyone who has been affected by sexual violence, whether on or off campus, is encouraged to utilize the support services provided by the college and in the community. Victims/Survivors of dating violence, domestic violence, sexual assault and stalking have the right to choose whether they want to pursue criminal or civil remedies in court and/or administrative remedies through the college. Victims/Survivors also have the right not to pursue a criminal, civil or administrative remedy. Regardless of what course of action the victim/survivor chooses to pursue, MSJC strongly encourages all victims/survivors to contact the [CARES Team](#), MSJC counseling team, [Rape Crisis Center](#) (951) 686-7273 or [Restoring the Heart Center against Sexual Assault of Southwest Riverside County](#) (951) 652-8300. Victim advocates can provide confidential support and resources and are available 24 hours a day, 7 days a week. When a student or employee victim/survivor reports to the college that they have been a victim of dating violence, domestic violence, sexual assault or stalking, whether the offense occurred on or off campus, the Center and/or the Riverside Sheriff's Office will provide the victim/survivor with a written explanation of their rights or options relating to the following:

- Resources for victims/survivors (including resources in the areas of victim advocacy, counseling, health, mental health, legal assistance, visa and immigration assistance, student financial aid and other areas);
- Non-reporting options;
- Understanding confidentiality versus privacy
- Law enforcement reporting options, including medical exams and the importance of preserving evidence;

- Civil reporting options & protective orders;
- College reporting options, including the investigative and disciplinary process;
- College-facilitated interim measures and remedies.
