PRESIDENT'S MESSAGE

Eagles, you have demonstrated incredible perseverance, determination, and resilience in completing your educational journey. Earning your degree or certificate at Mt. San Jacinto College is a significant achievement—one that speaks volumes about your commitment to your goals, even in the face of life's unexpected challenges.

Your time at MSJC marks a defining moment in your life. As you move forward, know that the path ahead will have its share of obstacles—but you have already proven that you can face them, overcome them, and grow from them. Step confidently into your future, reach new heights, and create a life shaped by your own transformation.

We are deeply honored that you chose MSJC as the place to further your education—whether your goal was to transfer to a university, earn a credential to enhance your career, or gain new knowledge and skills. You are part of a community that believes in your potential and will continue to cheer you on.

I hope your MSJC experience went beyond the classroom, and that you found connection, joy, and growth in student government, clubs,

athletics, and campus events. These moments help shape the whole college journey—and the person you continue to become.

At MSJC, our mission is clear: we're here to help you succeed. Our vision—Transforming Learners. Transforming Communities. Transforming Lives.—is at the heart of everything we do. As you leave MSJC and move into new chapters of your life, carry that vision with you. Use your education to make a difference in your community and in the world.

Never stop learning. Seek out new challenges. Stay curious. Embrace every opportunity to grow. Lifelong learning not only enriches your life—it strengthens the fabric of our society.

You've reached a milestone that will open doors and shape your future. It has been a privilege to serve and support you on this journey.

Congratulations, Class of 2025!

Roger W. Schultz, PhD
Superintendent/President

A MESSAGE FROM FACULTY, STAFF AND STUDENT LEADERSHIP

Congratulations to all of you, you made it!

As faculty we are all proud of you. Take some time to savor this moment and be proud of yourselves too. It is important to make time to celebrate your achievements and today is that time. We all need support and help but you did the work and that's awesome. Knowing how to put-in the work will carry you far. At Mt. San Jacinto College we believed you could do it and we know where ever your journey takes you, you are ready. In Navajo, we say nizhónígo ch'aanidíínaal (have a great journey).

John A. Torres

President, Academic Executive Senate

Congratulations, Class of 2025!

What an accomplishment! I hope that, in the midst of your celebrations, you will take a moment to reflect on just how far you have come in your educational journey. Looking back on this year alone, I see and recognize so many of the challenges that we have had to overcome for the sake of our education. Personal challenges, social challenges, and financial challenges are all part of the reality of being a student in today's world. Yet despite it all, here you are! You are the living testament that education is a tool for empowerment, resilience, and the betterment of our lives. Now, as you stand at the doorstep for your next chapter, you are stepping into a legacy of MSJC changemakers, caretakers, and torchbearers. Regardless of where your future paths lead you, be inspiring, be empathetic, and be the change. It has been an absolute honor and pleasure to serve as your SGA president this term.

Onwards and upwards, Eagles!

MT. SAN JACINTO COLLEGE
PRESENTS THE

GRADUATING CLASS OF 2025

★ – 4.0 G.P.A.

◆ – With Distinction 3.5 - 4.0 G.P.A.

Ⓜ – Honors Enrichment Program

Φ – ΦΘK Phi Theta Kappa Member

❖ – Honorary Posthumous Degree

The listing of a student's name in this commencement program indicates presumptive evidence of graduation but should not be considered conclusive evidence of graduation. Additionally, due to printing deadlines, not all eligible graduate names are listed and therefore the absence of a name from this program should not be considered conclusive evidence of ineligibility. Final award of degrees, certificates and honors will be confirmed once the final grades from the Spring 2025 semester have been submitted and assessed.

Please Note: Some students have requested that honors not be designated by their name. Therefore, the absence of honors listed in the program does not necessarily mean the student will not receive honors. Honors as listed do not include grades earned during the Spring 2025 term. Final honors designations will be given once the final grades for Spring 2025 have been calculated.

TRADITION

The formal academic regalia seen at Mt. San Jacinto College comes from hundreds of years of tradition, some standardization determined by American Colleges and Universities and some modifications just for this college.

Gowns and hoods date back to the clothing styles in the monasteries of the early European Middle Ages when monks who ran the schools provided their students with garments like their own, to keep warm in drafty buildings. The style was carried over into secular schools and continued until association was made with education rather than religion. In fact, because the garb was practical, it continued until the early 1800's to be worn daily to class by university faculty and students.

Mortarboards, commonly called "caps," have an even more practical origin than robes and hoods. According to tradition, John Calvin, a 16th century religious reformer, designed the special headgear as protection against pigeons that roosted in the rafters of the buildings where he taught.

Today, academic clothing is worn only for scholarly ceremonies such as commencements and dedications. The hood today is only an accessory and has no practical use.

In the 1890's, American higher education institutions formed a committee to standardize styles and colors to represent individual colleges, study disciplines, and degrees. These standards continue to present day, with minor modifications from college to college.

At Mt. San Jacinto College, the graduating class wears black robes and mortarboards. However, certificate recipients wear red and Nursing program graduates wear white. There are neither hoods nor color trim for the holders of Associate (two-year) degrees. A gold tassel without a Phi Theta Kappa key signifies the wearer has a grade point average (GPA) of 3.5 to 4.0. Graduates with a 4.0 GPA also receive a bronze medal to wear. 4.0 GPA graduates walk at the head of the student procession. Students who have completed the Honors Enrichment Program wear a purple and grey honors cord, symbolizing enlightenment and wisdom. The gold tassel with the Phi Theta Kappa key indicates membership in Phi Theta Kappa, an international honor society. Those who wear the tassel with the key have maintained a grade point average of 3.25 or higher. In addition to the special key, Phi Theta Kappa members are also entitled to wear a gold stole. All other tassels are a mix of red, black, and white – the college colors.

Graduates wear their tassel on the right side of the mortarboard as they enter and move the tassel to the left side at the conclusion of the ceremony. This is repeated upon award of the Bachelor's degree. After that, the tassel is always worn on the left.

Faculty, staff and administrator regalia colors also have special significance. The width of the colored trim on the gowns, length of hood, and sleeve designs are all different at each degree level. For example, the trim on the Bachelor's robe is one inch wide, a Master's robe trim is three inches, and a Doctoral robe trim is five inches wide. Doctoral robes also have three velvet stripes on each sleeve.

Regalia colors have special significance. The color of the silk lining of the hood tells the college that awarded the degree. Nearly one hundred fifty (150) different institutions are represented by MSJC's faculty and administration. The color of the trim represents the discipline:

OUR COMMITMENT TO DIVERSITY, EQUITY, INCLUSION, AND ACCESS

We are honored to serve students from a broad range of cultural heritages, identities, socioeconomic backgrounds, life experiences, genders, abilities, and orientations, and value the contributions therein. MSJC affirms and celebrates the full diversity of its students and strives to include programs, services, and other opportunities where the multiplicity of our student body is represented and reflected.

We are pleased to include an indigenous land acknowledgement statement and singing of the Black National Anthem, “Lift Every Voice and Sing” as part of our ceremonies. It is our privilege to recognize and regard Indigenous Peoples as traditional stewards of this land and the enduring relationship that exist between Indigenous Peoples and their traditional territories. Secondly, we highlight “Lift Every Voice and Sing” as part of our continued commitment to attest and center the voices of our African American and Black leaders, professionals, and students.

At MSJC it is our hope that these actions contribute to and uphold the work we’ve endeavored toward creating equity and deconstructing systemic racism for our students and within our community.

To read more about MSJC’s commitment to supporting the diversity of its students and communities, please see the MSJC Equity Pledge and Call to Action at www.msjc.edu/equitypledge.
