

"If your actions inspire others to dream more, learn more, do more and become more, you are a leader."

John Quincy Adams

The Champions of Tomorrow are taking action to inspire the students of Mt. San Jacinto College to dream more, learn more and become more!

CHAMPIONS *of* TOMORROW

MT. SAN JACINTO COLLEGE FOUNDATION

The Champions of Tomorrow are the difference between access and discouragement, innovation and limitation, success and failure. Annual support for Mt. San Jacinto College has a direct impact on the resources available to students, making the difference between success and failure. Colleagues, business partners and friends who choose to support Mt. San Jacinto College are leading by example - becoming our Champions of Tomorrow.

Mt. San Jacinto College provides educational resources across a diverse 1700 miles. Our students are primarily from low income families. Many are the first in their families to attend college and lack academic guidance and support prior to enrolling at Mt. San Jacinto College. For these students to succeed, many need enhanced academic, counseling and support services.

Mt. San Jacinto College students have made the decision to work hard to accomplish their goals. They have made the commitment to invest in themselves for a brighter future and they are overcoming

obstacles to succeed. Your generous annual support is more than a monetary donation; you are validating the commitment our students have made. Your investment is a vote of confidence that inspires students to do better and provides encouragement some have never had.

Your annual support also has a high rate of return and a dramatic impact on our community. By providing local access to quality higher education, MSJC is delivering a skilled workforce to meet local business needs and creating transfer pathways to four year institutions. This access will have a lasting impact on our communities, state and country for generations to come.

Throughout the year, the Foundation will recognize those businesses, organizations and individuals that choose to support Mt. San Jacinto College by becoming our Champions of Tomorrow. Annual sponsorship will create opportunities for you to celebrate and engage with the college and its students.

For more information about annual sponsorship opportunities and levels of recognition, please contact Rebecca Orlauski in the Foundation office at (951) 487-3171 or rorlauski@msjc.edu.
