

Veterans Resource Centers Naming Opportunities

Join us in honoring the service of MSJC students who are military veterans through our 60th Anniversary Naming Initiative. MSJC proudly hosts two veterans resource centers on the Menifee Valley and San Jacinto Campuses, with a growing dedicated space at the Temecula Valley Campus. By supporting these centers, you directly contribute to the success and well-being of our veteran community.

Unrestricted Funding for Access

VA education benefits often fall short of covering full education costs, leaving veterans in need of additional support. Your contribution will help expand resources to meet the growing demand for assistance.

Enhance Experiential Learning

MSJC believes in education that provides real-world, hands-on learning opportunities. Our VRC program bridges military experience to civilian skills. With your support, we'll grow partnerships for internships and job fairs, offering valuable opportunities to veteran and military-affiliated students.

Expand Capacity

By enhancing facilities, technology, and services, we ensure quality programming and scholarships for years to come. Your donation provides the stability needed to increase support for our military-connected students and their families.

NAMING OPPORTUNITY:

Veterans Resource Centers

Strengthening the MSJC Legacy of Transformation

ADD YOUR NAME

VRC Facilities	\$500,000 each
5-Year Program Sponsor	\$250,000
Technology Partner	\$100,000
Wellness Partner	\$100,000
Peer Counseling Program	\$50,000
Computer Stations	\$50,000
Job Fair Sponsor	\$10,000
