PROGRAM MAP: CATALOG YEAR: 2021-22

Medical Assisting Administrative Certificate

Students develop competencies in patient registration, charting, practice management, and clinical patient care by utilizing computerized EHR programs and performing hands-on patient care in the lab classes. The Medical Assisting program also provides students with the opportunity to become Medical Scribes. Students are trained to provide optimal patient care in various healthcare settings including hospitals, clinics, urgent care, and a variety of specialty medical offices.
