

Teacher Education and Development Studies
Early Childhood Education: Associate in Arts for Transfer
CSU

For many college students, working in a career where individuals can make a positive impact on children’s development is an academic and professional goal. The Teacher Education and Developmental Studies (TEDS) Department is committed to being a leader and partner in preparing our community of diverse learners to become competent, caring, and reflective educators and professionals who will advocate for and empower children and families in the 21st century.
