

Public Health Science: Associate in Science for Transfer
CSU

Public Health Science is a critical field in today's world. The courses in this program provide students with the skills to think critically and solve problems in regard to major concepts in community health and personal wellness. The degree focuses on providing job-based skills and an introduction to the disciplines within the Public Health field.

Please see a Pathways Counselor: Transfer degrees require a minimum of 60 semester CSU transferable units or UC semester transferable units with a minimum 2.0 GPA overall. [Contact a Counselor](#) to create an education plan customized to meet your needs.

Transfer Majors/Award Focus

- Public Health Science A.S-T CSU

GE Pattern/Units

- GE Pattern: Option B
- Total Units: 61

Program maps indicate the major coursework and recommended general education courses to fulfill your degree in 2 years (approximately 15 units/semester or 30 units/year). If you are a part-time student, start Semester 1 courses and follow the course sequence. Some of the courses listed may be substituted by another course. Please view these options in the official course [catalog](#).
