Student Right-to-Know Rates for Fall 2014 Cohort
Completion Rate: 23.14 %
Transfer Rate: 11.68 %

In compliance with the Student-Right-to-Know and Campus Security Act of 1990(Public Law 101-542), it is the policy of our college district to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 2014, a cohort of all certificate, degree, and transfer-seeking first-time, full-time students were tracked over a three year period. Their completion and transfer rates are listed above. These rates do not represent the success rates of the entire student population at the College nor do they account for student outcomes occurring after this three year tracking period.

Based upon the cohort defined above, a Completer is a student who attained a certificate or degree or became 'transfer prepared' during a three year period, from Fall 2014 to Spring 2017. Students who have completed 60 transferable units with a GPA of 2.0 or better are considered 'transfer-prepared'. Students who transferred to another post-secondary institution, prior to attaining a degree, certificate, or becoming 'transfer-prepared' during a five-semester period, from Spring 2015 to Spring 2017, are transfer students.

MSJC
MT. SAN JACINTO COLLEGE

*Mt. San Jacinto College is committed to supporting the diversity of its students and communities.
We are proud to unveil our new MSJC Equity Pledge*

We, the Mt. San Jacinto College Faculty, Classified Professionals, and Administrators, acknowledge there are systemic barriers that have historically excluded and prevented equal outcomes for students on the basis of:

Race/ethnicity
Gender Expression
Sexuality
National Origin
Socioeconomic status
Ability
Language
Religion
Age
Physical Appearance
Intersections of these identities.

Therefore, we define equity as an investment and commitment to achieving parity in academic outcomes by removing institutional barriers and creating an inclusive and culturally affirming learning environment. As such, we are dedicated to challenging our perceptions, biases, and blind spots through self-reflection and constant inquiry to identify and eliminate equity gaps and reinvest in our communities.

Our purpose is to celebrate diversity, instill hope, and empower our students to transform their lives and those around them.
